

## 2023 Digital Skills Training Opportunity in Nairobi

Danish Refugee Council (DRC) Urban Area Program with the support of United Nations High Commission for Refugees (UNHCR Kenya) invites 60 youths to apply for a digital skills training opportunity leading to accredited certification at the end of the program in collaboration with Ajira/eMobilis. The opportunity is geared towards supporting refugees and host communities to benefit from market-driven technical and entrepreneurial skills development in the digital economy. If interested, please apply for a slot. The information provided will be used solely for programming purposes. By proceeding to apply, you are consenting to provide DRC information in this form.
